**"Ye shall not make any cuttings in your flesh for the dead..."**

The people would cut themselves, and put tattoos on themselves for the dead, this is the spirit of Satan at work. God's people are to keep His Laws. We must understand that this is a Spiritual battle between obeying God and His Commandments, which is Truth, and obeying Tradition. When we follow God's Word, we are letting the Holy Spirit into our lives, but when we follow things that we can not find in God's word, we are following the spirit of Satan. Things like getting tattoos, cutting yourselves, some have tattoos that cover their whole body. We are not to put any Markings on our bodies, whether it be Ash or Ink, let no man do this.

You are bought with a Price, a high Price, you belong to Jesus Christ, do not defile His Temple which is your body.

In the book of Malachi the Priests received a rebuke because they were not teaching the people God's Commandments. You see the Commandments is what keeps us running after righteousness, the Law is where the Power and Glory of God dwells. The Presence of God have always dwelled around the Ark of the Covenant, God spoke from the mercy seat of which the TEN COMMANDMENTS was beneath. Satan's plan is to remove the Commandments of God out of the Church, then, and only then can you become a prey. If you do not follow the Spirit of Christ, which is Truth, then your none of Christ. Whether you know mysteries, if you don't keep the Commandments of God you still would not be Sealed.

**"...nor print any marks upon you: I am the LORD." {LEVITICUS 19:28}**

The inner meaning of the Law is to remove man from the curse...
