East Grand Bahama Potable Water Project into Phase Two

ABRIA COOPER
 FN Reporter
 abria@nasguard.com

Darius Williams of Darius Williams and Associates, the engineer responsible for the Potable Water Project in East Grand Bahama revealed that the project is in its second phase.

Williams made this announcement, during the recent tour of the Government's Capital Works Projects in East Grand Bahama, with Heads of Government Departments.

"There are three projects going on in East End," he disclosed.

The first phase of the project was completed at a cost of \$500,000, and the second phase is underway at a cost of \$1.35m.

"We are going to have about 120 customers total, when the two phases are finished, who

can connect to potable water," he said.

Williams added that currently 21 customers are able to connect to potable water, because Phase One is completed.

He revealed that Robert's Town, Freetown, Golden Grove, Gold Rock Creek, Bevan's Town, Gambier Point and Turtle Point will have access to potable water when the project is finished.

ished.

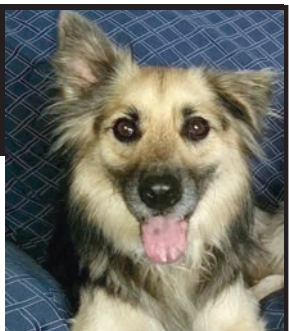

Minister for Grand Bahama Dr. Michael Darville stated that the project is "multi-disciplinary" with the involvement of the Department of Water and Sewage, the Grand Bahama Port Authority (GBPA), Engineers, local administrators and Local Government practitioners.

"Everyone has been a part of (Continued on Page 11)
