Janessa Putney and Bryant Harmon were announced King and Queen at the homecoming game against Herrington. Rose Griffin, Collin Brady, Maggie Geist, and Cody Miller were the other nominees in the homecoming court.

There were a lot of floats in the parade this year that included FBLA and FCCLA, junior class, senior class, FFA, Saphires, WFMS Kays, WFMS Cheer, WFMS Band, and Herrington game.

The parade ended at the park where there was food and beverages. There was the car bash and bonfire.

The cheerleaders had a town pep rally. It consisted of class chants and fun games for each class.

So all and all the announcement of the King and Queen and the Homecoming parade went very well this year. Many people out of the community came out to support the falcons for the upcoming Herrington game.
