*A note from Rod Leird,  
president of the Pottsboro  
Area Chamber of  
Commerce.*

The Pottsboro Area Chamber of Commerce is proud to be supported by nearly 300 individuals and businesses. We are a community of business owners, retirees, growing families and individuals that work closely together to create a caring and prosperous community.

The mission of the Pottsboro Area Chamber of Commerce is to provide valuable benefits and services to our members and to be an advocate for them, by promoting tourism and economic growth. Our activities include educational events, ribbon cuttings, Frontier Days and other exciting events throughout the year.

We are excited about the growth and future of our community. Individuals visiting our area will see significant improvement in our highways and infrastructure. Improvements to FM 1417 and the expansion of State Highway 289 into Pottsboro are well underway. State Highway 289 closely follows the original Preston-Shawnee cattle trail of the 1800s. This highway is expected to open in the second half of 2009 and will offer a convenient avenue for our Metroplex friends to come and enjoy Pottsboro and Lake Texoma.

We invite all to attend our exciting events planned throughout 2009. Some examples are:

- Tickle Your Ribs — May 16
- Annual Golf Tournament — July 18
- Frontier Day — September 25-26
