

## Donations sought for SC Coalition for Black Voter Participation building

The South Carolina Coalition for Black Voter Participation is seeking donations for a permanent location for the organization. The group's goal is to raise approximately \$198,000.

According to the board of directors, the blue prints are complete and the group is shopping around for a contractor. This sum will allow the organization to build a modest structure on the corner of Wright and Independence Street, located in the Liberty Hill Subdivision, North Charleston.

To date pledges have averaged \$300 per person. Most of the funds received to date have been used for building designer

costs and ground preparation.

Donors have the opportunity to be recognized with their name/organization placed on a plaque in the new structure. Checks should be payable to SCCBP and mailed to SCCBP, Attention Building Fund, P. O. Box 71502, North Charleston, SC 29415 or by calling 843-224-0426. The group is also seeking members with building skills to help defray costs associated with this effort such as carpentry, laying foundation, electrical wiring and landscaping. Anyone interested in volunteering can call the Executive Secretary, Leroy Bennett at 843-693-7514.
