

BUYER - ELECTRONIC COMMODITY

Winegard Company seeks buyer responsible for ensuring timely and cost efficient delivery of raw materials to a high-volume, JIT manufacturing environment. Minimum 4 years experience purchasing electronic commodities or a Bachelor's degree in Material Procurement, Purchasing Management or Business Management required. Responsibilities include but not limited to negotiating supplier contracts and delivery terms, preparing and submitting reports, and analyzing delivery schedules to determine current/future material availability. Duties include sourcing new suppliers, facilitating competitive bidding, securing lowest piece price cost and reducing supplier lead times. Will be required to manage all raw, WIP and finished goods inventories. Individual must be a highly motivated self-starter. Proficiency in Excel and Word required. Experience with MAPICS desirable. Salaried position. Compensation package includes medical/dental/life coverage, disability, 401K plan, and profit sharing. Send resume to
