# Utley powers Phillies to 8-6 victory

■ Philadelphia second baseman ties World Series record as Phils, Yanks head back to New York City.

By RONALD BLUM  
The Associated Press

PHILADELPHIA — Put those parade plans on hold, New York. The Phillies are coming back.

Chase Utley hit two home runs to raise his World Series total to a record-tying five, backing Cliff Lee once again as Philadelphia staved off elimination by hanging on for a wild 8-6 victory Monday night that set up a Game 6 for the first time since 2003.

"We had to do it," Phillies short-stop Jimmy Rollins said. "We didn't have a choice. It was either go home and watch football and college bas-

ketball or extend the season."

Utley hit a go-ahead, three-run homer in the first inning off A.J. Burnett and added a solo shot in the seventh to join Reggie Jackson as the only players to hit five home runs in a single World Series.

"It's pretty cool," Utley said. "It's pretty surreal. I'm glad we got the win tonight. We're going back to Yankee Stadium."

Philadelphia closed within three games to two by replicating its winning formula from the opener, when Utley hit two solo homers and Lee pitched a six-hitter. Raul Ibanez set off fireworks from the Liberty Bell one last time, adding a second solo shot in the seventh off Phil Coke that made it 8-2.

■ KU's Aldrich and Collins named to AP Preseason All-American first team.

By JIM O'CONNELL  
The Associated Press

Luke Harangody should get used to being on top of lists.

The senior forward from Notre Dame was the leading vote-getter Monday on The Associated Press' preseason All-America team, and if he has the type of season he usually does, he will become the leader for his school and conference in scoring and rebounding.

The 6-foot-8 Harangody received 57 votes from the 65-member national media panel and was followed in the balloting by Kansas teammates Cole Aldrich and Sherron Collins. They are the sixth set of teammates selected for the preseason team, which began in 1986-87, and the second from Kansas, joining Raef LaFrentz and Paul Pierce in 1997-98.

Aldrich, a 6-11 junior who recorded a triple-double in the NCAA tournament, received 49 votes, 10 more than Collins, a senior point guard.

Junior forwards Patrick Patterson of Kentucky, who had 35 votes, and Kyle Singler of Duke, who had 30, rounded out the team announced Monday.

Harangody averaged 23.3 points and 11.8 rebounds last season, the only player to rank in the top 10 nationally in both categories. He was a preseason All-American in 2008-09 and was selected to the second team after the season.

University of Kansas teammates Cole Aldrich, left, and Sherron Collins were named to the AP Preseason All-American team on Monday.

"I do think we return the best guard in the country and the best big man in the country. I think if you're going to start a team, why not have an anchor and why not have a guard?"

## HHS soccer faces Liberal

LIBERAL - Playing in the boys' soccer quarterfinals is nothing new for the Liberal Redskins.

The same can't be said for the Hutchinson High Salthawks.

Under the guidance of second-year coach Brad Binns, the rejuvenated Salthawks (14-3-1) will face the tradi-

tion-rich Redskins (15-3) tonight at 6:30 in the South Central quarterfinal at Liberal High School.

"I'm excited and I think the guys are ready for it," said Binns, who helped the Salthawks win their first regional championship since his senior year in 2002. "The drive isn't going to make any difference to us. We're go-

## Defense fuels Celtics' success

Last Thursday, for the first time all season, the Trinity Catholic offense failed to score 34 points in a game.

Trinity managed just 14 points against an inspired Halstead defense, but the Celtics still came away victorious, thanks to their defense.

It's a defense that has been among the stingiest in the state. Trinity shut out six of its nine opponents and has allowed a total of 27 points.

"I thought we'd be OK coming in (to

the season), but I didn't think we'd be as good as we are now," Trinity coach Sean Racette said. "The kids worked hard getting bigger and stronger in the weight room."

Trinity's players agree that offseason weight room work is paying off. "We had about the whole team in there about the entire summer. That's a big part of our success," senior defensive lineman Brennan Oberle said.

"We did a lot of work over the summer. That helped us tremendously," senior linebacker Anthony Mendoza
