Possum's Landscape and Pest Control Supply

Start 2012 out right with a Custom Program from Possum's! Here are some comments from your neighbors:

"Possum's has been Great! They have helped me identify the right solution for every need. Thanks for helping us with Yard Of The Month! The Corn Gluten and Cotton Burr Compost really worked well for us."
Bill Hann

"I heard of Possum's by word of mouth and on the radio, so I decided to try them. I had used different products and companies in the past with poor results. Possum's tailored a program for my different grasses and I have been following the programs now for several years with great results. Possum's products and customer service are awesome. Thanks! The SeaHume, Cotton Burr Compost and especially "The Program" worked great for us."
